

Doro Liberto® 825

The 4G smartphone that thinks like you do

Doro Liberto® 825 is a revolutionary smartphone that does what other smartphones do, but far more easily than ever before. Now you can communicate and enjoy photos, videos, fast 4G Internet and much more in a way that simplifies how you set up, access and use the phone's various functions. Get help as you go from the built-in coach, and feel even more secure with safety features such as our Assistance button. You can also add more apps via Google Play, and easily manage settings and content remotely.

- Intuitive navigation and help functions
- Full speed entertainment on large screen
- Physical buttons for Recent apps, Home and Back
